Ignite the Nations Statement of Faith

- There is one God. Who has manifested himself to mankind, the commonly accepted theological position is that of Father, Son and Holy Spirit. Though there are differing opinions regarding this expression, they create no objections.
- The Holy Scriptures, as originally given by God, are divinely inspired, infallible, entirely trustworthy, and constitute the only supreme authority in all matters of faith and conduct.
- Our Lord Jesus Christ is God manifested in the flesh; we affirm his virgin birth, sinless humanity, divine miracles, vicarious death, bodily resurrection, ascension, ongoing interceding work, and personal return in power and glory.
- Man is a sinner separated from God by nature and needs the atoning blood of the Lord Jesus Christ to be cleansed from sin, so they can be born into the kingdom of God.
- The salvation of all humanity is possible only through the merits of the shed blood of the Lord Jesus Christ, received by faith apart from works, and characterized by the regenerating power of the Holy Spirit.
- The Holy Spirit in addition to his regenerating power of salvation, enables believers to live a holy life, empower us as ambassadors for Christ, and reach the world with the gospel of His kingdom.
- The Church, the body of Christ, consists of all the believers in the commonwealth of God from every nation, tribe, and tongue.
- Ultimately God will judge the living and the dead.

I have read and agree with the Ignite the Nations Statement of Faith *(circle one)*
